Dear Colleagues and Friends,

On behalf of the organising committee, it is my privilege to extend a warm welcome to you all for the Annual Conference of Orthopaedic Association of South Indian States **OASISCON 2025** scheduled to take place on **29th, 30th and 31st August, 2025** at **Auditorium, Mahatma Gandhi Medical College and Research Institute, Puducherry.**

Though we are the smallest member state of OASIS, we have consistently delivered and fulfilled the expectations of delegates at previous OASISCONs held at Pondicherry. To make this gathering more enriching, we have curated an exciting program, including case based discussion, my worst case/ complications, re-live surgeries, new medal paper, hands on cadaveric workshop, keynote lectures and panel discussions/debate featuring some of the most distinguished experts in the field.

As the organizing chairman, I will make every effort to meet your expectations in the realms of scholarly excellence, culinary delights, and captivating experiences. We also invite you to take time to explore the vibrant surroundings of Puducherry, making this event not just a professional milestone but also a memorable one. We look forward to welcoming you all and sharing this remarkable journey of learning and growth.

With warm regards,

Dr. Krishna Gopal. R
Organising Chairman
OASISCON 2025

Professor and Head, Department of Orthopaedics
MGMCR, Puducherry

Dear friends,

The founders of OASIS framed it to strengthen the friendship and unity of Orthopaedic surgeons of South Indian states, so as to get proper representation of us, in IOA. Which is dominated by 'North Indian lobby'. Even after 23 years, It is still an enigma. As of now, OASIS works just like any other Orthopaedic Association, conducting meetings, CMEs, fellowships etc.

In the present scenario of IOA and it's chaos, I feel it's high time to show our power. As you know the power of any association is based on its membership strength. We must encourage increasing our state as well as our IOA membership. And that is not enough, we must use our voting power to elect our own candidate from south as IOA President and Secretary. I don't think it is impossible.

Annual conference is the best platform to share our ideas and enrich our Orthopaedic knowledge. Please attend our annual Conference in Pondicherry and our general body meetings in large numbers, so that we can take better and stronger decisions.

Our Pondicherry team is working hard to make the event a most memorable one both academically and gastronomically. Please strengthen their hands.

Eagerly waiting to see you all,

Sincerely

Dr Vasudevan P N
President
OASIS

Dear esteemed colleagues,

It is with great honour and enthusiasm that I welcome you all to OASISCON 2025, the 24th annual conference of Orthopaedic association of South Indian States. This conference is scheduled to take place on the 29th, 30th and 31st of August, 2025 at Mahatma Gandhi Medical College & research institute, Puducherry. The 24th edition of OASISCON will be the 4th time Pondicherry Orthopaedic association has the opportunity to organise & host this prestigious event. POA was lauded for the hospitality and scientific content in the past, this year will be no different but in fact will be better as we strive for excellence with every given opportunity.

OASISCON 2025 highlights our commitment to research, knowledge gathering, skill development and surgical expertise. The scientific committee has worked meticulously to ensure a stimulating academic experience, complimented by opportunities for meaningful interactions which cater to the curiosity & needs of not only young post graduates but also to the senior consultants. Our dynamic programme will feature engaging workshops, keynote sessions & panel discussions with some of the renowned experts in our field. The eminent organising team has tenaciously worked to bring all of us an academic fest & a socially engaging programme.

We eagerly await your presence in joining us on this path of learning, collaboration and growth together. Beyond the conference we also invite you and your families to explore the charming and vibrant city of Puducherry and make this event a memorable escapade.

With sincere gratitude,

Dr. R. Vijayaragavan
Organising secretary
OASISCON 2025

Professor and Head,
Department of Orthopaedics,
SLIMS, Puducherry

Dear Esteemed Seniors, Colleagues and Friends

It is my distinct pleasure to welcome you all to this prestigious OASISCON 2025. As Secretary General, it is an honor to be part of this gathering of renowned professionals who are dedicated to advancing the field of orthopedics.

This conference serves as an exceptional platform for the exchange of ideas, the sharing of innovative research, and the discussion of the latest advancements in orthopedic care. Our profession continuously evolves, and such gatherings are vital in ensuring that we stay at the forefront of patient care, surgical techniques, and rehabilitation strategies.

I encourage each of you to take full advantage of the opportunities to collaborate, ask questions, and connect with fellow practitioners from around the world in this OASISCON-25 conference.

I would like to extend my heartfelt gratitude to all the speakers, sponsors, and organizers who have made this event possible. Your hard work and dedication ensure that we can gather in a space of learning, sharing, and growth.

Let us work together to continue making meaningful contributions to the field of orthopedics, shaping the future of musculoskeletal care for generations to come.

Wishing you a fruitful and inspiring conference OASISCON 2025.

Warm regards,

Dr. Roshan Kumar B.N
Secretary General,
OASIS
